Note: The number of homeless students represents where students attend school; homeless students may attend schools in districts where they do not live. Ever homeless ratio is the ratio of currently homeless and formerly homeless students to the total number of students in the district. Formerly homeless students are defined as those who are currently housed but experienced homelessness at any point during SY 2010-11 to SY 2013-14. Notes on educational outcomes are listed in Section 3. Ns of fewer than 30 students were redacted.
